PART II INSTRUCTIONS

Step 1. Provide all information requested in **Part III** of this application, and complete and sign the Affidavit of Applicant. The Affidavit of Applicant must be signed by the Owner of the Property.

Step 2. Gather all documents required for initial processing, as listed in **Part IV**. To ensure that the application is complete and ready for submittal, please use the checklist provided on page 11.

Step 3. An Enrollment Fee based on the number of housing units in the subdivision must accompany this application. If housing units are added after enrollment, additional enrollment fees will be due before a new Certificate of Assured Water Supply will be issued by the Arizona Department of Water Resources. Please calculate the fee for this application by completing the following:

- | | |
|--|-----------|
| 1. Total number of housing units: | _____ |
| 2. Per-Unit Enrollment Fee: | X \$411 |
| 3. Total number of Commercial Parcels: | _____ |
| 4. Per-Parcel Commercial Enrollment Fee: | X \$1,568 |
| 5. Enrollment Fee: | _____ |

Please make checks payable to: **CAGRD**

Step 4. Submit the completed application, including all required documents and the Enrollment Fee, to:

Central Arizona Groundwater Replenishment District
P.O. Box 43020, Phoenix, Arizona 85080-3020
23636 North 7th Street, Phoenix, Arizona 85024

Please note: The enrollment process is taking, on average, about **12 weeks** to complete. The processing time is lengthy because many applications are not complete when they are submitted. In an effort to make the enrollment process more efficient, CAGRD offers a pre-application meeting at which time the application and all required documents will be preliminarily reviewed for completeness and any questions or concerns can be discussed. To schedule a pre-application meeting, please email Nelle Carlsmith at ncarlsmith@cap-az.com or call 623-869-2380.

Step 5. Upon receipt of the application, CAGRD will review it for completeness and correctness. Once the application is determined by CAGRD to be complete and correct, CAGRD will prepare an Agreement and Notice of Municipal Reporting Requirements and a Declaration of Covenants, Conditions and Restrictions.

Step 6. CAGRD will forward the originals of both the Declaration and the Agreement to the applicant for execution on behalf of the Owner(s) and the Municipal Provider.

Step 7. Return the fully executed originals of both the Declaration and Agreement, together with any additional required documents, to CAGRCD.

Step 8. CAWCD will execute the Agreement and will record both the Declaration and the Agreement against the Property in the official records of the County where the Property is located. When enrollment is complete, a fully executed and recorded copy of both the Agreement and Declaration will be sent to the Arizona Department of Water Resources, the applicant, the Assessor's office, and to the Municipal Provider for their files.

Step 9. After the land has enrolled as a Member Land of the CAGRCD and a Certificate has been issued by the Arizona Department of Water Resources for the subdivision, ***the Replenishment Reserve Fee, the Activation Fee, and any other required fee must be paid to CAGRCD prior to applying for a Public Report from the Arizona Department of Real Estate.*** Upon receipt of the fee payments, CAGRCD will provide the current owner with a signed notice confirming that the fees have been paid.

In the event that the Arizona Department of Water Resources (ADWR) denies a Certificate of Assured Water Supply (CAWS) for a particular Member Land subdivision, or the applicant withdraws their CAWS application from ADWR, the previously paid Enrollment Fees will be eligible for reimbursement to the applicant with the exception of a non-refundable administrative charge as identified on the Member Land De-enrollment application. This administrative charge covers the administrative processing costs of the enrollment application. Any De-enrollment fee, as identified on the Member Land De-Enrollment application, will also be subtracted from the refunded amount.

The exception includes de-enrollment due to ADWR's denial of the application of the associated Certificate of Assured Water Supply (CAWS) or Withdrawal of the CAWS application from ADWR by the applicant. In this case, the previously paid Enrollment Fees will be eligible for reimbursement minus a non-refundable administrative fee equal to 10% of the original Enrollment Fees or a minimum of \$10,000 whichever is greater, plus the de-enrollment processing fees.
