# 2019 CENTRAL ARIZONA PROJECT FEDERAL LEGISLATIVE AGENDA

---

## Central Arizona Project Authorities and Operations

### CAP POSITION:

Monitor legislative and regulatory efforts that could impact CAP's contractual authorities or directly impact CAP water supplies and operations.

---

## Colorado River Water Supply

### CAP POSITION:

Support the Lower Basin Drought Contingency Plan (DCP), including legislation that directs the Secretary of the Interior to implement the DCP.

Continue to cooperate with Federal, State, Tribal, and other stakeholders to mitigate potential impacts on the CAP water supply and support water conservation and augmentation activities, such as the Pilot System Conservation Program, desalination, weather modification, and water reuse and recycling programs, as well as other programs.

Continue to support the operation of the Yuma Desalting Plant or suitable alternatives to reduce system losses.

---

## Cybersecurity

### CAP POSITION:

Monitor legislative efforts to address cybersecurity and potential threats to critical infrastructure and vital computer systems.

---

## Federal Rulemaking

### CAP POSITION:

Continue to monitor federal rulemaking and implementation related to energy, air quality, water quality, and other issues that may affect CAP operations.

---

## Central Arizona Project Water Infrastructure

### CAP POSITION:

Monitor proposals by the Executive and Congress to provide financing opportunities to modernize U.S. infrastructure and determine possible opportunities for CAP.

---

## Energy

### CAP POSITION:

Monitor legislative efforts that may impact CAP operations, including CAP's ability to secure affordable energy and ensure reliable transmission delivery.

Continue efforts to engage elected officials, stakeholders, and governmental agencies regarding federal activities that affect the Navajo Generating Station.

---

## Water Quality and Salinity

### CAP POSITION:

Monitor water quality issues impacting the Colorado River that may affect CAP operations.

Support the activities of the Colorado River Basin Salinity Control Forum, including efforts to secure adequate funding and improve water management.

Support the efforts of the Lower Colorado River Water Quality Partnership to address water quality issues of the Colorado River.

---

## Indian Water Rights Settlements

### CAP POSITION:

Continue to collaborate with Arizona Tribes and other stakeholders on issues related to resolving water rights claims.

Continue to support legislation necessary and appropriate to enact the Hualapai Tribe water rights settlement.
