**AGENDA ITEM:** Consideration of Action to Approve a CAGR Member Service Area Agreement Between CAWCD and Metropolitan Domestic Water Improvement District Southwest-Diablo Village

**RECOMMENDATION:**

Staff recommends that the Board approve a Member Service Area Agreement between CAWCD and Metropolitan Domestic Water Improvement District Southwest-Diablo Village.

**LINKAGE TO STRATEGIC PLAN, POLICY, STATUTE OR GUIDING PRINCIPLE:**

- CAWCD Board of Directors 2010 Strategic Plan
  - Replenishment: Water Supply; Long-term Role of the CAGR
- A.R.S. §48-3780 – Qualifications as a Member Service Area

**PREVIOUS BOARD ACTION/ACTIVITY:**

None

**ISSUE SUMMARY/DESCRIPTION:**

Metropolitan Domestic Water Improvement District (MDWID) provides water utility service within three non-contiguous service areas: MDWID, MDWID West, and MDWID Southwest – Diablo Village. The Arizona Department of Water Resources (ADWR) treats each as a separate service area and requires each service area to obtain a separate designation of assured water supply. Metropolitan Domestic Water Improvement District Southwest - Diablo Village has applied to enroll its water service area as a Member Service Area of the Central Arizona Groundwater Replenishment

District (CAGR) and simultaneously has applied to ADWR to obtain an assured water supply for the Metro-SW service area.

The MDWID Southwest – Diablo Village service area includes nine existing subdivisions that are currently enrolled CAGR member lands; four of these subdivisions are 100% built out. Once the service area receives a Designation of Assured Water Supply from ADWR, these member lands will no longer be required to file Annual Reports and will no longer receive the CAGR Special Assessments on their property tax bills or be required to pay Annual Membership Dues (AMDs). Instead, MDWID Southwest – Diablo Village will receive an Annual Replenishment Tax bill and will pay AMDs as a Member Service Area.

Attached is the proposed Member Service Area Agreement between CAWCD and Metropolitan Domestic Water Improvement District Southwest - Diablo Village that would complete enrollment of the new service area in the CAGR. As we have done for all Member Service Areas that have enrolled in the CAGR since approximately 2001, we are including a provision in the Agreement that establishes a maximum volume that can be reported as Excess Groundwater in any year. Paragraph 1.7.2 of the Agreement establishes the maximum annual volume of 2,725.81 acre-feet for the MDWID Southwest – Diablo Village service area.

**SUGGESTED MOTION:**

I move that the Board of Directors approve the Member Service Area Agreement between CAWCD and Metropolitan Domestic Water Improvement District Southwest-Diablo Village.

As a Member Service Area, the Municipal Provider will be a member of the Central Arizona Groundwater Replenishment District, an operating subdivision of CAWCD.

F. To qualify the Metro Southwest-Diablo Village service area as a Member Service Area, the Groundwater Replenishment Statute requires the Municipal Provider to execute and deliver this Agreement in accordance with Arizona Revised Statutes § 48-3780.
